

Why Give to LAPS Foundation through LANL employment?

A percentage of your donation is matched by Triad so our nonprofit receives more money when you give.

LAPS Foundation serves all the schools in the Los Alamos school district. Through community donations we are able to provide funding for “extras,” innovative ideas, materials and training the schools would not have, elevating the quality of local public education.

A better school district is better for everyone in the community: students, parents, property owners, LANL and other employers so they can attract employees.

Triad employs 5,459 Los Alamos county residents at LANL. The total of their salaries was \$758,303,756 in FY2023. If LANL employees from Los Alamos county donated \$5 a paycheck (\$5 to Thrive) this would make a BIG impact on Los Alamos Public Schools.

How Triad employees can give to LAPS Foundation through their paychecks:

- ·Where do I begin?
- ·This tool is found on LANL Inside in the My Portal bank of buttons where you access Oracle to enter Time and Labor. Look for the Giving Tool button.
- ·Click there and wait for the welcome screen; you will be welcomed by name!
- ·Choose Employee Giving
- ·Choose Biweekly (recurring) or One-Time payroll deduction
- ·Search Los Alamos Public Schools Foundation or LAPS Foundation
- ·Select Los Alamos Public Schools Foundation
- ·Now that LAPS Foundation is in your cart: Add the \$ amount you wish to contribute
- ·biweekly or one-time
- ·Notes: Use the notes field to add any information you wish LAPS Foundation to have (acknowledge as, maybe a specific program designation, or your home address)
- ·Select save and proceed, review to make sure you haven't made any mistakes. You will click through more than one confirmation screen. Please be certain you see a “Successful Submission” screen before logging out.
